## MEDIA KITS

Advancing the Art of Digital Delivery.

### QUALITY, CONVENIENCE, AND RESULTS YOU CAN RELY ON FOR 100 YEARS

#### Exactly what you need, precisely when you need it.

We assemble the correct amount of printing supplies and discs into an easy-to-use kit to simplify your purchase and the production process—and we guarantee the data on your discs will retain its integrity for a full century. Rimage Media Kits™ ensure the same quality and convenience and the same durable results you've come to rely on from our CD/DVD publishing systems. Our worldwide purchasing power gives you the highest quality, longest lasting printable media at a competitive price. We match the quantity of printing supplies to the number of discs, so you'll never have to worry about running out of what you need to finish the job. And, with a warranty that covers performance and data integrity for 100 years, your jobs will run right and they'll last—**guaranteed**.

**The Everest Media Kit**—either 500 or 1,000 discs with the correct amount of thermal ribbon and retransfer rolls—is designed for Everest's unique printing requirements, a print surface that extends close to the hub, offering unlimited options for design.

**The Inkjet Kit**—discs with the corresponding number of ink cartridges—is manufactured to Rimage specifications for maximum color performance with our high-resolution Rimage printer.

MEDIA KITS	
•	Highest quality CD/DVD media
•	Right quantities for right results
•	Error-free printing and fastest write speeds
•	Consistent performance for cost-effective results
•	100 year warranty guarantees data integrity

## A REPUTATION FOR QUALITY AND RELIABILITY

Rimage Media Kits offer superior performance, convenience and reliability at a competitive price—just what you'd expect from the world leader in CD/DVD publishing solutions. Disc after disc, year after year, we bring you industry-leading quality and the fastest write speeds available. From stunning Everest color to the classic detail of the Rimage 480i inkjet, Rimage Media Kits guarantee exceptional results with your Rimage direct-to-disc printing system.

## RIMAGE MEDIA KITS MATCH LOW COST WITH HIGH VALUE

- **Economical to Use** — Rimage printable media is designed for uniform coating on every disc, and that means complete ink coverage and longer lasting print head life. Bundled pricing keeps the cost per disc low.
- **Brilliant Color Results** — Printable media matched precisely to your printer's specifications creates stunning results. Achieve the finest detail for the highest resolution and optimal color quality on one disc or hundreds.
- **Convenient** — Our complete package contains all the supplies you'll need to produce the highest quality discs.
- **100-Year Lifespan** — Rimage Media Kits promise lasting integrity for your data—backed by Rimage's Limited 100 Year Warranty.

## THE RIMAGE RECORDING, PRINTING, AND LONGEVITY GUARANTEES

**Recording and Printing:** Rimage guarantees these CDs and DVDs to both record and print to the end user's satisfaction if they are properly handled and maintained. Rimage will, at its option, replace the media and printing consumables or refund the purchase price should Rimage Media Kit components fail to record and print properly.

**Media Longevity:** Based on the results of longevity testing by our media manufacturer, Rimage guarantees that each CD in a Rimage Media Kit will retain its data for a period of 100 years. The media should not be exposed to damage or misuse as described in the Rimage Media Kit 100 Year Limited Warranty.

*Please see the full text of the Rimage Media Kit Limited One Year Warranty and the Rimage Media Kit CD-R Limited 100 Year Warranty for complete details.*

## SPECIFICATIONS

**Everest 1000 Kits** contain 1000 discs, two CMY ribbons or one Black ribbon, and one 1000-unit Retransfer roll.

**Everest 500 Kits** contain 500 discs, one CMY ribbon, and one 500-unit Retransfer roll.

**Rimage 2000i/480i 600 Kits** contain 600 discs, one Black inkjet cartridge, and two CMY cartridges.

**Rimage 360i Kits** contain 200 discs, one Black inkjet cartridge, and one CMY inkjet cartridge. Rimage 360i kits are also available as media-only kits, making it easier to match individual printing needs.
